

**PLUMBERS AND PIPEFITTERS NATIONAL PENSION FUND
EMPLOYMENT HISTORY INSTRUCTION SHEET**

Participant's Name: _____

Social Security Number: _____

This form is for you to provide employment information for which we do not have any records. We suggest you start by reviewing your Annual Statement from the National Pension Fund. You may obtain your last Annual Statement from our website www.ppnpf.org if you worked in Covered Employment and received a statement in 2005 or later. Otherwise, you may call the Fund Office for a Contribution History Report.

If you agree with the employment information we have in our records, you do not need to complete this form. If something is missing or there is something you are not sure about, please let us know about it by completing this form.

Sometimes, we do not have a record of a period of future service credit, which consists of hours for which employer contributions were due, because your hours were not reported to us. We need to know about that kind of situation.

We also need to know about your employment in the plumbing and pipefitting industry for periods before your employers became contributing employers to the National Pension Fund. Such employment might count as Past Service Credit if the Plan's rules are met. It is very important that we learn about your past employment in the industry before the National Plan was in place.

Follow the instructions below and complete the form if you worked out of a local for which we do not have records, (for example, your work history prior to your local joining the National Pension Fund, or if you traveled to a non-participating local which started participating at a later date).

INSTRUCTIONS: In the space on the back of this form, please indicate your employment in the plumbing and pipefitting industry for which we do not have any records as described above for each Calendar Year from the first Calendar Year in which you worked at the trade even if that work was prior to your initiation date. Please provide the requested information on a separate line for each of the following:

- work performed in each Calendar Year for each employer within each local union jurisdiction,
- work performed within two or more local jurisdictions (a separate line for each) during the same Calendar Year, and
- work performed in more than one Calendar Year (a separate line for each) for a single employer.

For Example:

Calendar Year Worked	Local Jurisdiction or Location	Employer Name	Number of Months Worked for Employer within Calendar Year
1970	116	Joe's Mechanical Contractor	12
1971	116	Joe's Mechanical Contractor	4
1971	Bosie, ID	Samson's Piping	3
1972	139	Samson's Piping	4

To assist you in completing this form, you may need to refer to your yearly W2 statements or your Local Health and Welfare, Pension or other fringe benefit fund records to identify the employers for whom you worked. If you need further information regarding the names of your employers and the time periods you were employed, you may contact your local Social Security Administration Office to obtain Form SSA-7050-F3 to request your employment information. Any cost incurred for obtaining this information from the Social Security Administration will be your responsibility. You should first confirm the information the Fund has on file, as you do not need to provide that same information.
