The notice shall state the date on which such resignation shall take effect; and such resignation shall take effect on the date specified in the notice unless a successor Trustee shall have been appointed at an earlier date, in which event such resignation shall take effect immediately upon the appointment of such successor Trustee.

In the event of the termination of the designation of any Trustee, or in the event of the resignation, death, incapacity or the unwillingness of any of the Trustee to serve, a successor Trustee shall be designated in accordance with Section 3 of this Article. Such majority decision shall govern not only this Article but any portion of this Agreement and Declaration of trust which refers to action by the Trustees. Section 6. Minutes of Meetings. The Trustees or their designee shall keep minutes of all meetings, but such minutes need not be verbatim. Any data or information furnished to the Trustees by an Employer or by the Union shall be held confidential and may not be disclosed by the Trustees to any third person, unless the Trustees shall decide that such disclosure is necessary for the proper administration of the Fund.

Section 5. Default in Payment. Each Employer shall be responsible only for making contributions that it is obligated to make, on behalf of its Employees, pursuant to its Collective Bargaining Agreement or signed stipulation except as may be provided in this Agreement and Declaration of Trust or by the Act. Non-payment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments, nor shall non-payment by one Employer of any contribution when due impose upon any other Employer, Employer Association, or the Union any obligation with respect to such payments.

Insofar as payments by the individual Employer to the Fund are concerned, time is of essence. Regular and prompt payment of amounts due by individual Employers to this Fund is essential for the maintenance of the Fund, and it would be extremely difficult if not impracticable to fix the actual expense and damage to the Fund and to the pension program provided by the Fund which will result from the failure of an individual Employer to make such monthly payments in full within the time period. Therefore, payments, together with the completed reporting forms, are due on the twentieth (20th) day following the end of each calendar month, or if earlier, on the date provided for in the Collective Bargaining Agreement. An employer shall be considered delinquent if the employer has failed to pay the amounts due when such amounts become due and payable. The Trustees may assess liquidated damages against any delinquent employer in the amount of 10% of the amount due if payment is not received by the due date. Any assessed liquidated damages may be added to and become a part of the amount due. The Trustees may also require any delinquent employer to pay interest at a rate up to 18% per annum, on the amount due from

the date of delinquency until the date of payment. The Trustees may adopt reasonable rules and regulations to enforce the collection of delinquent contributions, including the assessment and collection of liquidated damages and interest and including the adoption of special rules applicable to Employers who are repeatedly delinquent.

The Trustees shall have the power to take any action to enforce the payment of contributions, liquidated damages, interest and other amounts due, including, but not limited to the institution of or intervention in any legal, equitable, or administrative proceedings. All reasonable expenses incurred by the Fund in enforcing the payment of contributions, liquidated damages, interest, and other amounts due, including but not limited to reasonable attorneys' fees, accountants' fees, and court costs may be added to the obligation of the defaulting Employer in addition to the other amounts due. The employer agrees that such sums shall be included in any judgment issued by a court. The Trustees shall have authority to settle or compromise any claims, suits or legal actions for less than the full amount due when in their discretion they deem it in the best interest of the Fund.

Section 6. Projection of Delinquency. Where an Employer is two or more months delinquent in making the contributions required on behalf of his Employees and has failed to submit regular documents showing the Employees who worked for the Employer and the hours worked, the Trustees may project as the amount of the delinquency (a) the average of the monthly payments actually made by the Employer for the last three (3) months for which the payments were made, or (b) the average of monthly payments made by the Employers for the last twelve (12) months for which payments were made, or (c) the average of the monthly payment documented by the remittance reports submitted by the Employer without payments for the last three (3) months, or (d) the average of the monthly payment documented by remittance reports submitted by the Employer without payments for the last twelve (12) months, or (e) the average monthly contributions determined by (i) certified payroll records required under any applicable federal, state or local law or (ii) an audit of the payroll and wage records of an Employer conducted under Section 4 of this Article, or (f) the number of Employees employed by the Employer under the Collective Bargaining Agreement as determined by the Union multiplied by the contribution rate multiplied by workweek established in the Collective Bargaining Agreement. Such projections of delinquency may be made in lieu of demand for production of payroll documents, or upon failure to furnish such documents, in lieu of an audit. The projection may be used as a determination of payments due for each delinquent month, and may be used for purposes of any lawsuit, and no other proof need be furnished by the Trustees to any court or arbitrator to compute the total payments due from the Employer for all delinquent months, exclusive of liquidated damages, interest, attorneys' fees and other costs set out in this Article. This provision shall not, however, limit the Trustees from seeking a greater amount than the projected delinquency if a greater amount is shown to be owed.

ARTICLE VII

PLAN OF PENSION BENEFITS

Section 1. Benefits. The Trustees shall have full discretion and authority to adopt a Plan of Pension Benefits which sets forth eligibility requirements, type, amount and duration of benefits that are to be provided equally and without discrimination to eligible Employees, based on what the Trustees determine to be within the financial limitations of the Pension Trust Fund provided, however, that no benefits, other than pension, annuity, severance and related benefits, may be provided for or paid under this Agreement.

Section 2. Eligibility Requirements for Benefits. The Trustees shall have full discretion and authority to determine questions of eligibility requirements for benefits and duration of benefits and to adopt rules and regulations setting forth same, which shall be binding on the Employers, Employees, their Beneficiaries and dependents and any other persons making claims.

Section 3. Written Plan of Benefits. The detailed basis on which payment of benefits is to be made, pursuant to this Trust Agreement shall be set forth in the Plan of Pension Benefits. Such Plan of Pension Benefits shall be subject to change or modification by the Trustees from time to time as they may, in their discretion, determine provided, however, that no such change or modification that increases the past service and/or future service benefits or involves a change in the eligibility requirements for participation in the Plan of Pension Benefits or in the eligibility requirements for any benefit under the Plan of Pension Benefits shall be adopted except by a resolution adopted by a majority vote of all members of the Board of Trustees, following advice by the actuarial consulting company to the Board of Trustees that any such change or modification is actuarially within the financial limitations of the Pension Trust Fund.

The Board of Trustees shall reduce the benefits when and to the extent that they are advised by the actuary that it is necessary to make any such reduction in order to stay within the financial limitations of the Plumbers and Pipefitters National Pension Fund.

Any change in or modification of the Plan of Pension Benefits made by the Board of Trustees shall be set forth in writing by the Trustees, with notice to the Employers and the Union.

Section 4. Internal Revenue Service and Labor Department Approval. The Trust and the Plan of Pension Benefits adopted by the Trustees shall be such as will qualify for approval by the Internal Revenue Service, United States Treasury Department, and will continue as a qualified Trust and Plan so as to ensure that the Employer contributions to the Plumbers and Pipefitters National Pension Fund are proper deductions for income tax purposes. In addition, the Plan of Pension Benefits adopted by the Trustees shall be such that will qualify for approval by the Department of Labor as required by applicable law. It is the intention of the Trustees to be in full compliance with all requirements of the Internal Revenue Code and the Act. The Trustees are authorized to make whatever applications are necessary with the Internal Revenue Service and Department of Labor to receive and maintain approval of the Trust and Plan of Pension Benefits.

Section 5. Limitation of Employer's and Union's Obligations. Neither any Employer nor the Union shall have any responsibility for the payment of any benefit under the Plan of Pension Benefits. The obligation of each Employer under the Plan shall be a several one and shall be limited, except as required by the Act, to paying into the Pension Trust Fund the contributions that it is obligated to make on behalf of its Employees under the provisions of its Collective Bargaining Agreement or signed stipulation.

ARTICLE VIII

CONTROVERSIES AND DISPUTES

Section 1. Reliance on Records. In any controversy, claim, demand, suit at law or other proceeding between any Employer, Beneficiary or any other person and the Trustees, the Trustees shall be entitled to rely to the extent permitted by the Act, upon any facts appearing in the records of the Trustees, any instruments on file with the Trustees, with the Union or with the Employers, any facts certified to the Trustees by the Union or the

Employers, and any facts which are of public record and any other evidence pertinent to the issue involved.

Section 2. Submission to Trustees. All questions or controversies, of whatsoever character, arising in any manner or between any parties or persons in connection with the Pension Trust Fund or the operation thereof, whether as to any claim for any benefits preferred by an Employee, Beneficiary or any other person, or whether as to the construction of the language or meaning of the rules and regulations adopted by the Trustees or this Trust Agreement, or as to any writing, decision, instrument or accounts in connection with the operation of the Pension Trust Fund or otherwise, shall be submitted to the Trustees, and the decision of the Trustees shall be binding upon all persons dealing with the Pension Trust Fund or claiming benefits thereunder.

Section 3. Settling Disputes. The Trustees may in their sole discretion compromise or settle any claim or controversy in such manner as they think best, and any majority decision made by the Trustees in compromise or settlement of a claim or controversy, or any compromise or settlement agreement entered into by the Trustees, shall be conclusive and binding on all parties interested in this Trust.

Section 4. Withholding Payments. In the event any question or dispute shall arise as to the proper person or persons to whom any payments shall be made hereunder, the Trustees may withhold such payment until there shall have been made an adjudication of such question or dispute which, in the Trustees' sole judgment is satisfactory to them or until the Trustees shall have been fully protected against loss by means of such indemnification agreement or bond as they, in their sole judgment determine to be adequate.

ARTICLE IX

ARBITRATION

Section 1. Application of this Article. In the event the Trustees cannot decide any matter, issue or dispute because of a tie vote, or the lack of a quorum at two (2) successive regular or special meetings of the Trustees, then, in either such event, the Employer Trustees and the Union Trustees will attempt to agree upon the designation of an impartial umpire to decide the dispute. If, within ten (10) days after the occurrence of either of the two events referred to above no impartial arbitrator is agreed upon, any three Trustees may petition the United States District Court for the District of Columbia to appoint an impartial umpire. The decision of the impartial umpire so agreed upon or appointed shall be final and binding on all parties and persons concerned.

Section 2. Expenses of Arbitration. All reasonable and necessary costs and expenses incidental to the proceedings before the impartial umpire, including the fee, if any, of the impartial umpire and attorneys' fees incurred by any Trustee in connection with such dispute, shall be a proper charge against the Trust Fund and the Trustees are authorized and directed to pay such charges.

Section 2. Retroactive Effect. Any Amendment may have retroactive effect.
